

LINCOLN MEMORIAL
GARDEN

Summer, 2025

Dear Vendor,

We would like to invite you to participate in the Garden's 2025 Fall Harvest Festival by displaying, selling and/or demonstrating your craft or artwork. This is the 56th year for the two-day fall fundraising festival, which usually draws over three thousand people. It is a family-oriented event featuring food, entertainment, children's activities, and crafts. We hope you will join us for this year's festival on October 11th and 12th. This year we will open at 10 a.m. and close at 4:00 p.m. on Saturday and Sunday. The festival will be held on Garden property located on the east side of East Lake Shore Drive.

We continue to actively seek new artisans, particularly those who concentrate on living history demonstrations and historic/traditional or nature-related crafts.

Examples of historic/traditional arts and crafts are: spinning and weaving, chair caning, flintknapping, metal and wood working, pottery, broom making, and knitting using natural fibers. Examples of nature-related crafts are: bird houses and feeders, nature photography, plants, herbs, dried and pressed flower crafts, gourds, paper making, and other items emphasizing nature in some way.

Please read the enclosed guidelines and return the registration form as soon as possible, if you plan to participate. **Due to limited space and high demand, only the first 30 applicants will be accepted through September 26.** Please note the vendor fee is \$50 for **each** 10'X10' space. A limited number of spaces with electricity are available for an additional \$10.

Please bring your own chairs, tables, tent and any other items needed for your booth.

If you have any questions or are unsure if your craft qualifies in a certain category, or would like to set up on Friday, please contact vendor coordinators Karen Rogers (217-801-7116) or me (217-529-1111). We look forward to having you at the Fall Harvest Festival this year.

Sincerely,

Joel Horwedel
